We are happy to take time to discuss your personal menu requirements on site. Please could you give us prior notice by calling +41 61 836 66 33. You can, of course, advise us of your menu selection by telephone or e-mail (park-hotel@parkresort.ch).

Menu tasting

We would be happy to organise a menu tasting at your request and expense. Please note that not all dishes from our menu suggestions can be prepared and served for two or four people in the same way as for 50 or more guests. We recommend visiting our Bellerive restaurant to sample our cuisine.

Night-time quiet

Our park and the outside terraces are available for you to use until 10 pm. Out of consideration to hotel guests and neighbours, after midnight music indoors must be turned down so that no noise can be heard outside. In general dance music is only permitted until 3 am. Thank you for your understanding.

Number of guests

Please advise us of the final number of guests 48 hours before the occasion. Deviations from this of more than 5% will need to be included on your invoice.

Parking

For you and your guests, our hotel car park and the Parkresort car park are free of charge.

Room allocation

About two weeks before your occasion please give us a list with the names of your overnight guests. This will enable us to ensure a smooth check-in. Your rooms will be ready for you from 2 pm on the day of arrival. We would appreciate it if you could vacate your room by 12 pm on the day of departure. Late check-out is possible on request depending on availability and surcharge.

Supplement

Our prices already include a supplement with vegetables and starch dishes. If you would like extra meat, we charge for this at CHF 8.00 per person.
